General Data Protection Regulation ((EU) 2016/679) (GDPR)

The information above is used by Llay United Youth Football Club to register your child as a player with the Football Association of Wales (FAW). The above information is entered onto the FAW online COMET portal.

As part of the registration process your child will become a registered FAW Player Member and will receive an FAW player number. Player membership gives the player a number of benefits including Player Personal Accident Insurance while participating and traveling to Club matches and training sessions.

The FAW is a "data controller". They are responsible for deciding how they hold and use personal information about your child, further information can be found on the FAW Website. (www.faw.cymru)

Club Use of the data - Once the data is registered on the FAW COMET portal, the registration form will be kept securely by the club's registration secretary for the period of 12 months. For the sole purpose of any queries coming from the FAW and to provide players contact details to your child's team manager / coach, for the use as emergency contact information and to keep you informed of training, matches and club events. The club will not share the information with any other third party. At the end of the 12 months the club will destroy (shred) all information held.
